ADDRESS

This is a suitable post-card  
to send you on a Sunday.  
Come down here early  
this morning. At first  
we had a shower, which  
freshened the air, but  
the sun will show.  
Am on the first day of my  
third week that has had  
a very successful time.  
Hope you are well, as am  
I. Love you all. Love
